THE SMASH HITS LETTERS PAGE – WHO ARE THEY WRITING ABOUT?

1
PLEASE, PLEASE, please (short gasp), is it true that (subdued whisper) **** ****** wears a . . . TOUPEE?!! If so, please send me a fishing rod and a ticket to his next concert (fiendish giggle).
An anything-for-the-naked-truth-fan, Bristol.

On the front page of the last issue was a picture of *****
*****. Well, I drew some glasses on her, gave her a beard, a moustache and finally spots and black teeth, but found it absolutely impossible to make the damn girl look ugly!
Debs, Sheffield.

My dog can sing better than ***** ** *** and it's better looking.
R. Bridger.
My dog can sing better than *** ** *** and I haven't even got a dog.**

(1983)

Dear Gary Basford,
I hope you saw your beloved ****
**** making complete fools of themselves on that stupid TV show *Give Us A Clue*. If that wasn't enough to make you eat your words, then I give up.
Yvonne Duran, Basingstoke.

I AM WRITING to complain about that poxy upstart known as the lead singer of *****. I suppose he thinks he's clever wearing a short wig, complete with red streak, on *TOTP* the other night. (In other words, taking the mick out of the truly great Gary Numan).
